Extract from P & S file No.5/24. Re. free supply of Govt. Gazette to Chamarajpet Reading Room

X X X

Member's minute:--

I think that Government cannot undertake to make a free supply of the Gazette to all free Libraries and Reading Rooms. It is also desirable not to make any distinctions between one institution and another in this respect. I would therefore suggest an order being issued authorising the supply of the Gazette at half rates to all Free Reading Rooms and Libraries approved by Government (or Inspector General of Education) - approval being subject to the condition of the Free Library or Reading Room being in existence and reported to be working satisfactorily for a year.

Reading Rooms have no need for Government Gazettes. I see no reason even for supply at half price.
